Tesfatseyon Merkinh

Full-Stack Web Developer

Wolaita-Sodo, South Ethiopia Region, Ethiopia • +251 983 708 869 +251 950 030 794 • tesfatseyon16@gmail.com • linkedin.com/in/tesfatseyon-merkinh-becho-a38626402

PROFILE

Freelance software and full-stack web developer, and a final-year Computer Science student (graduating 2027), with hands-on experience building responsive websites and scalable project structures. Skilled in Git workflows, React, Python, and modern UI/UX design, with a focus on clean, modular code and professional branding. Detail-oriented and persistent in troubleshooting, adaptable to new technologies, and passionate about creating youth-friendly, modern digital experiences.

EXPERIENCE

Hotel Design Website

Frontend Developer • May 2023 - Aug 2023

Built and deployed a responsive hotel design site with modern UI layouts and a compact folder structure. Improved responsiveness and cross-device compatibility.

Fellowship Website

Frontend Developer • Sep 2023 - Dec 2023

Developed a responsive fellowship website for Dilla University EvaSUE, integrating worship schedules, ministry programs, and image galleries.

AI for FOREX Analayzing

AI/ML Developer - Independent Project • Jan 2024 - Apr 2024

Created an AI-powered system for analysing and predicting FOREX market trends using Python, scikit-learn, pandas, and matplotlib.

Amharic Offline-Chat AI

Developer - Independent Project • May 2024 - Present

Designed and implemented an offline Amharic language assistant using Python and JavaScript, expanding accessibility for local users.
